A diagram showing a 2x2 grid of boxes. The top-left box is labeled **STORE**, the top-right box is labeled **LEARN**, the bottom-left box is labeled **EDIT**, and the bottom-right box is labeled **EXIT**. Each box is a dashed rectangle.

The diagram shows a 3-track DSP with two input buses: PRESET and TRACK. The PRESET bus has three input channels, each with a white box and a dashed border. The TRACK bus has three input channels: the first has a white box and a dashed border, the second has a cyan box with the number '07' and a dashed border, and the third has a green box with the number '09' and a dashed border. The DSP is represented by a central black arrow pointing right, with the text '3-TRACK DSP' written vertically above it.
